Go Ahead... Go Cadillac!

Before you buy any car at any price, consider a Cadillac first of all. New or previously owned, a Cadillac is the one way to be sure your investment will buy the most and last the longest.

Whatever you have budgeted for your next car, your Cadillac dealer has a Cadillac to fit your plans. Naturally, if your choice were unrestricted, you would prefer a new 1965 Cadillac like the Sedan de Ville in front. Next best would be a late-model, previously-owned Cadillac such

as the black 1963 Sedan de Ville, above. A well-maintained, one-owner used Cadillac is actually the only real rival of a new Cadillac. Because of the popularity of the 1965 model, your authorized dealer is the one logical place to go for the best selection of fine used Cadillacs.
